As Authors or linguists; we will be looking at rhymes and making up our own rhymes. We will be creating a rhyming string.

As mathematicians; we will be doubling, sharing and halving items from 'Mary, Marys Garden'

As Citizens of the world; we will be looking at different gardens in our local community.

As Scientists; we will be planting bulbs in our garden pots.

As Artists; We will be making 3D flowers

As Designers; we will be continuing to add designs to our own gardens
