As Authors or linguists; we will be writing captions about the places we have visited on our magic carpet ride. We will be segmenting and blending words to read signs.

As mathematicians; we will be solving problems using doubling to find the answers. We will be making estimates with amounts from 11-20

As Citizens of the world; we will be helping the Wizard and each other to be kind and caring.

As Designers; we will be making our own magic carpets with wool and ribbons.

As Artists; we will be experimenting how to make our paint thick, and then runny.

As enterprising learners; we will be learning about sharing.
