As Authors or linguists; we will be labelling Trolls tables and chairs, and writing sentences about them using the sounds we can hear in words.

As mathematicians; we will be solving problems using addition and subtraction to make patterns. We will be making amounts from 11-20

As Citizens of the world; we will be helping the Trolls and each other to be kind and caring.

As Designers; we will be making chairs and beds for the Trolls, using our junk modelling equipment.

As Artists; we will be exploring how to make dark and light shades with paint.

As enterprising learners; we will be learning about teamwork.
