

Revision Packs

Can you please encourage your children to continue to complete as many revision packs as possible. We have a pizza afternoon planned for children that have completed 7 books by Thursday 6th of April.

We would like to thank you for all your support and encouragement regarding these packs. We have been amazed by how many books the children have already completed.

If you have any concerns or questions about SATs, the residential or anything else about your child's learning then please come and see either Mr Tankard, Miss Sheridan or Miss White.

Y6 SATS

 We can, we will

When are the SATs

The Y6 SATs take place from Monday the **8th of May** until **Thursday the 11th of May**. We would encourage children to arrive at school promptly as we can then start the tests as soon as possible. We will also be supplying free breakfasts for all Y6 children during SATs week and the children will have a chance to cram in some last minute revision.

The timetable for the week looks as follows:

Monday—Reading SATs Paper

Tuesday—Grammar SATs Paper

Spelling SATs Paper

Wednesday—Maths Reasoning Paper 1

Maths Arithmetic

Thursday—Maths Reasoning Paper 2

SATs Residential

The weekend before SATs we would like to take your children on a FREE residential to Kingswood Peak Venture which is located in Penistone. We would leave school at 2pm on Friday the 5th of May and would return to School on Sunday the 7th of May at 2:30pm.

The residential is key to the preparation of SATs. Children get to enjoy a relaxing weekend with their peers doing exciting challenges such as Zip-wire, Archery and Lazer tag as well as some revision.

More details will follow shortly.

Easter Club

During the first week of the Easter holidays, we are opening school and would like children to attend an Easter club. The club will start on **Monday the 10th of April until Thursday 13th of April**. The club will open at **8:30am and finish at 12:30pm**. Children will be provided with breakfast and will also be allowed to walk to and from school independently. Children are allowed to bring bikes, scooters, rollerblades and phones or tablets into school to use during break times. However, they are responsible for these items.

The Easter club is essential to helping children prepare for the SATs. We will only have 2 weeks after the Easter Holi-

days before the SATs and would encourage all children to attend Easter Club. On the Thursday, we will provide children with a small party to celebrate them attending all the Easter classes during the week.

Revision Club

Over the past few weeks we have seen the number of children attending revision clubs fall. We are really conscious that this is a vital time for the children and would encourage attending all 3 sessions.

The sessions take place on a **Monday, Tuesday and Thursday**.
